

Product datasheet for CH23013-100

CNPase (CNP) Chicken Polyclonal Antibody

Product data:

Product Type:	Primary Antibodies
Applications:	IF, IHC
Reactivity:	Human, Mouse
Host:	Chicken
Clonality:	Polyclonal
Formulation:	State: Aff - Purified
Gene Name:	Homo sapiens 2',3'-cyclic nucleotide 3' phosphodiesterase (CNP), transcript variant 1
Database Link:	Entrez Gene 12799 Mouse Entrez Gene 1267 Human
Synonyms:	CNP, CNP1, Oligodendrocyte Marker

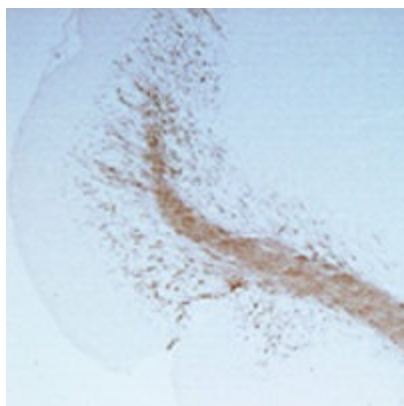

Product images:

A tissue section through an adult mouse brain showing CNPase (brown staining) in white matter tracts and the granule cell layer of the cerebellum.
