

Product datasheet for **GE100084**

pCas-Guide-Puro-CRISPRi-Scramble

Product data:

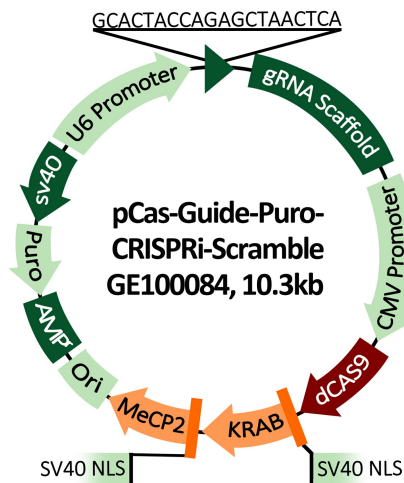

Product Type: CRISPR Vectors

Features:

- Scramble control vector for CRISPRi (SKU GE100083)
- All-in-one vector, expresses scrambled gRNA and dCas9-KRAB-MeCP2, and puromycin resistance gene

Disclaimer: These products are manufactured and supplied by OriGene under license from ERS.
